**AGENDA REPORT**

AGENDA DATE 04/13/99  
AGENDA ITEM 5  
WORK SESSION ITEM \_\_\_\_\_

**TO:** Mayor and City Council  
**FROM:** Chief of Police  
**SUBJECT:** Increase in Tow Operation Fees

**RECOMMENDATION:**

Based on a review of tow operation fees the Hayward Police Department staff recommends the attached proposed changes to the Tow Operation Fee Schedule.

**BACKGROUND:**

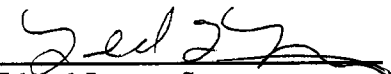

In January of 1999 a meeting was held with all current tow companies that hold contracts with the City of Hayward. The meeting was held to discuss the renewal of tow contracts between the City of Hayward and the tow companies. At that time each tow company in attendance was provided a copy of a proposed revision of the Towing Ordinance. During that meeting the tow companies asked that we look into increasing the fees they could collect for their service. The last time the fees for towing operations were changed was in December of 1994.

The Hayward Police Department Traffic Bureau contacted the Cities of Newark, Fremont, Union City and San Leandro. With the exception of the City of San Leandro, the City of Hayward is below the other three in tow fees charged. The attached survey of neighboring cities supports this request for a fee increase. The Hayward Police Department recommends approval of the attached proposed Tow Operation Fee Schedule. The Tow Operation Fee Schedule is not part of the Master Fee Schedule.

**CONCLUSION:**

The Hayward Police Department recommends and supports the proposed increase in Tow Operation Fees.
